[Sculptor, Chicago, IL], 1925

January 28th 1925.

Mr. Fred M. Torrey,
6016 Ellis Avenue,
Chicago, Ill.

Dear Sir:

We have received from the Medallie Art Company an offer to strike a copy of your Rosenberger Medal of Brown University for our Collection, if our Society can obtain your permission to have this done.

This procedure is followed with almost all the medals issued by the Medallie Art Company, and it is by such a method that we are keeping up our collection of medals by American artists.

I trust that this request will receive your favorable consideration.

Very truly yours,

Secretary.

Dear Mr. Torrey:

Thank you very much for yours of the 9th, with permission to have a copy of the Brown University Susan Colver Rosenberger Medal of Honor struck by The Medallie Art Company for our Collection.

I note what you say with regard to the University Chicago Medal. Would it not be better, under the circumstances, to wait until they have another copy struck, for which, of course, they will have to forward the dies in any event? This would obviate having to send them especially. If you concur, I will draft a letter for your approval, asking them to take this course.

With cordial appreciation of your courtesy,

Very truly yours,

Secretary

Dear Mr. Noe:

I hope you will pardon my delay in answering your letter of February 11th. I have since seen Dr. J. S. Dickerson of the University Of Chicago, and asked him about the Numismatic Society haveing a copy of the University Of Chicago Medal. He thought that it would be all right with the Board of Directors, but that you should write a letter as contemplated and get official action from them. If the letter you draft is along the line of your letter of February 11th it will have my approval.

Very sincerely yours,

Fred M Torrey
